

Dear Directors,

The Program Committee is accepting directors' proposals for our 2019-20 Subscription Season. (Proposals for additional, non-season productions are welcome as well, but will be considered after the Subscription Season has been established.) Attached is the Director's Proposal Form.

If you have not directed before, you can serve as an Assistant Director to a main stage production, or direct one of our summer plays in order to apply to direct in a future season.

We will consider a production of two or three one-act plays as a show, as well.

Please keep these considerations in mind as you choose your submission:

- Submit a play of your choice using the Director's Proposal Form. Submitting a second choice is suggested, but not mandatory.
- A script must be submitted for each proposal. **We are unable to consider any proposal without a script.**
- Directors of musicals must include the name of their **Musical Director** when they submit their application.
- Submit shows with **strong audience appeal**.
- Simple staging and set demands are required. Our shows are presented in a black box performance space (no wing space, no easy way to move and store set pieces off, etc.). The stage dimensions are 24 inches high, 28 feet wide, 16 feet deep.
- Players provides a limited pre-set budget for productions.
- Each director will be offered a producer to assist with publicity, budget, and to serve as Board liaison.
- The compensation for a director is \$250, \$200 for musical vocal director; \$150 for choreographer; and \$200 for musical accompanist. (We encourage you to secure outside sponsors to supplement your budget.) Each director is offered a producer, who is a member of our board, to be your liaison between the director and board, and to handle production responsibilities.
- **Submission deadline: January 31, 2019.**
